

It's amazing to see how teens, society, standards, attitudes, drug and alcohol use, car, and prices change in forty years. It may seem like a long time but enough time to develop new technology, new styles, loss in respect for parents and teachers, loss in respect for sexual activities, times seems so short. Watching American Graffiti my eyes were opened to how society has changed from 1962-2003, I saw differences you wouldn't believe.

In the movie American Graffiti you have seven main characters. Steve, Lori, Kurt, Toad, John, Debbie, and Carol.
