(2002 Prompt)

Morally ambiguous characters—characters whose behavior discourages readers from identifying them as purely evil or purely good—are at the heart of many works of literature. Choose one of your summer reading books in which a morally ambiguous character plays a pivotal role. Then write an essay in which you explain how the character can be viewed as morally ambiguous and why his or her moral ambiguity is significant to the work as a whole.

- Identify literary techniques—interpretation of content
- 750-1000 words
- Title
- Staple to sheet
