

Here I go with my lyrical stunt  
Shit we got it goin on tonight  
Cuz just like my humor  
We was smoking a blunt  
Listen here  
Im about to appear  
My flowin is so hot  
That u are gunna shead a tear

Lend me an ear  
Especially u bitch  
cuz u like it in the rear

have no fear  
the lyrical savior is here  
with a special flow  
that i present to u tonight  
im sexy like oprah  
but I know how to read and write

shit my rhymes are tight  
all my friends are white  
life is like a constant fight  
between wrong and right

I wana do another sesh  
I know a crackhead  
We call him desh  
My rhymes always mesh  
Together  
No matter the weather  
We stick together  
Like barabra walters  
And leather

Now that's tasty
