18. Mrs. Sharma is head of the female ward of the district hospital. Of late she has noticed that one of her nurses often talks to a nurse from the male ward. She was doing it when there was a lot of work to be done. There was even once a problem with a patient whom she forgot to attend to. The other nurses in Mrs. Sharma's ward seem to be getting irritated about this situation. How do you plan to act if trivial problems are brought up again?
