

MCA (Revised)
Term-End Practical Examination
December, 2007

MCSL-016 : INTERNET CONCEPTS AND WEB DESIGN

Time allowed : 2 hours

Maximum Marks : 50

Note : *There are two questions in this paper carrying 20 marks each. 10 marks are for viva-voce.*

1. Design the following table with dummy data and also do validation checks on each field. 20

Assignment Status

Student Name	Address	Enrollment No.	Assignment Code	Program Code	Date of Submission
--------------	---------	----------------	-----------------	--------------	--------------------

2. Using JavaScript/VBScript, create a web page having 3 audio and 3 video files, each of them inserted in different frames. As the mouse points over, its background colour changes and also a new page appears giving some details about audio/video files and its respective frames. 20
