

CHAD ARMSTRONG

Mussolini

Benito Mussolini was one of the great dictators of Italy. Mussolini was lived from 1883-1943. Mussolini started Fascism, witch was the blck shirt milerty. Fascism spead fast over Italy. HE was the editor of the Socialist party News Paper. Mussolini rise to power In tribute to the postwar Milan, Mussolini and other war vetrines founded Fasci di Combattimeto in March 1919. The Nationalistic, antilialeral, and antisocialist movement attracted the lower and middle-class support and took its name from the faces, an ancent Roman symble of Roman disciplen. When the Fascist thretend to march on King Victor Emmanuel 3rd he invited Mussolini to a coalition goverment. By this time the fascist leader transoformed the country in to a single-party totalitarian regime. The paryt controlled representing groups differnt sectors of the ecomeny. The systome prevented captialism and social seVICES.
